Awards

2014 Donna L. Dunaway Medal Presentation

The **Donna L. Dunaway Medal (The Dunaway Medal)** is the highest award that can be bestowed upon a member by the Southern District Association of the American Alliance for Health, Physical Education, Recreation and Dance (SDA). The Dunaway Medal honors the professional life and career-long contributions to the Southern District AAHPERD made by member and long-time Executive Director, Dr. Donna L. Dunaway. In that spirit, the **Donna L. Dunaway Medal** honors no more than one individual each year who has made significant and sustained contributions and given meritorious service to Southern District AAHPERD over a significant period of time. The 2014 recipient of the **Donna L. Dunaway Medal** is Dr. Steve Furney, Professor of Health and Wellness Promotion in the Department of Health and Human Services at Texas State University, San Marcos, Texas.

During his 34-year career at Texas State University, Steve Furney has demonstrated exemplary leadership and service as evidenced by recognition with the University Distinguished Professor Award, Presidential Award For Excellence in Service, Everett Swinney Teaching Award, Presidential Award For Excellence in Teaching, Educator Of The Year Award and the Minnie Stevens Piper Foundation – Piper Professor Award. Dr. Furney is the author of Two Books, One Book Chapter, 23 refereed journal articles and a litany of presentations. Steve served as the principal investigator on a nearly \$2M grant from the Centers for Disease Control and Prevention.

Since joining AAHPERD in 1979, Steve has been fully engaged in the mission and work of the Texas Association for Health, Physical Education, Recreation and Dance (TAHPERD), Southern District AAHPERD and AAHPERD (now SHAPE America). At each level he has distinguished himself as being steadfast in his leadership, 'calm in a storm', visionary in his thinking and clear in his actions. A servant leader, Steve is known for his kind and thoughtful attentiveness to others, his understanding association structures and functions and his passion for the profession he serves. Among his chief qualities, Steve listens!

At the state level, Steve has served as President of TAHPERD, served on most committees at least once, and earned the TAHPERDS Honor Award and TAHPERD's highest award, the prestigious David K. Brace Award. At the national level, Dr. Furney has served AAHPERD as a member of the Board of Governors and on numerous national-level committees. He is a

Fellow of the Research Consortium of AAHPERD and he was honored as the AAHE College/University Health Professional of the Year Award and the AAHE Administrator of the Year Award. In Southern District, Steve served as President of the District and Vice-President of the Health Division. He has received the Southern District Honor Award and served on many different committees; additionally, Steve has earned the honor of Southern District Health Education Administrator of the Year Award and Southern District College/University Health Educator of the Year Award.

Dr. Furney's body of professional work forms a seamless bond with the criteria and requirements of the Dunaway Medal. Thus, it is with great enthusiasm that I present to you, Dr. Steve Furney, the 2014 recipient of Southern District AAHPERD's highest and most prestigious award....the ***Donna L. Dunaway Medal***. Steve Furney is the third-ever recipient of the ***Donna L. Dunaway Medal***.

Grants

- [Funds for Fuel Up to Play 60](#)

Deadline for Apply: **June 4, 2014 and November 5, 2014**

Fuel Up to Play 60 is a program founded by the National Dairy Council and NFL, in collaboration with USDA, that empowers students to take charge in making small, everyday changes at school. Students can win cool prizes, like an NFL player visit or Super Bowl tickets, for choosing good-for-you foods and getting active for at least 60 minutes every day. We want kids to make a difference not only in their lives, but also their community. Whether you're a student, supporter or educator, simply choose your path to get involved and get going.

Up to \$4,000 per year is available to any qualifying K-12 school enrolled in Fuel Up to Play 60. The competitive, nationwide funding program can help your school jumpstart and sustain healthy nutrition and physical activity improvements.

Whether you're just starting out with Fuel Up to Play 60 or looking to expand and extend an initiative that's already in motion, Funds for Fuel Up to Play 60 can help.
